DEDICATION

With deep appreciation for his unselfish contribution to the freedom of the world, the class of "55" dedicate our CHIEFTAIN in the memory of GORDON HAMMILL who has served in the armed forces. The sacrifices which he and his friends have made have kept our schools, country, and homes untouched by war.

Our dedication is a small token to offer when compared with his great sacrifice, but we include with it the promise that we shall never forget nor cease to be proud of the youth of Valley View High School who chose to keep our country free.

FOREWORD

"Our lives are albums written through,
With good or ill, with false or true;
And as the blessed angels turn
The pages of our years,
God grant they read the good with smiles,
And blot the ill with tears!"

A *Taylor-made* YEARBOOK
Taylor Publishing Company-Dallas

Dear Sue,

I really enjoyed running around with you this year I wish we could have started it sooner. You are a real sweet girl, just stay that way and you will always have a million and ~~one~~ (me) friends. Loads of luck in everything you attempt to do in your long future ahead. I will always treasure you as one of my closest friends. Best of luck always.

A Friend always
Jo Ann

Dear Sue,

You will never know how much fun I have had in the short time we have been around together! I wish we could have struck up a friendship a lot sooner. I am really glad you are having so much fun in college. You are a real swell person and I really enjoy being with you.

The Best of Everything to a Real Swell Girl!!!!!!

Carolyn Dean

Dear Sue,

From the first time I looked at you I always thought I would like ~~get to know~~ to know you better. Since I have, I know!! I really have enjoyed it. I wouldn't trade the friendship I have with you & the others for anything in the world because I know it's true and nothing false about it. I wish you all the Luck!, Success!, and Happiness! in the world.

Always a Friend
Carol Evans
